

OKU Absorber Panels from Germany

Price per unit
(not incl. VAT)

1000 OKU absorber with integrated collecting pipe
d 40 mm and two hose couplings d 25 mm
Dimension 1320 mm x 820 mm
Collecting area 1.08 m²

THB 4,140.-

1001 OKU absorber with four hose couplings
d 25 mm
Dimension 1280 mm x 820 mm
Collecting area 1.05 m²

THB 4,140.-

1002 OKU absorber with 2 integrated collecting pipes
d 40 mm
Dimension 1360 mm x 820 mm
Collecting area 1.12 m²

THB 4,140.-

Connecting Hoses

Price per unit
(not incl. VAT)

2011 Connecting hose 38 x 5 x 60 mm
with 2 stainless steel hose clamp

THB 147.-

2012 Connecting hose 25 x 3 x 63 mm
with 2 stainless steel hose clamp

THB 129.-

Accessories for OKU Pool Solar Heating Systems

Roof Mounting Parts for OKU Absorber

Price per unit
(not incl. VAT)

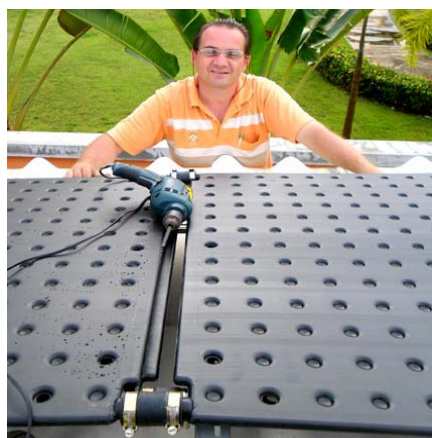

MOUNT Mounting screw (stainless), rubber and washer, THB 34.-
to install OKU absorber panels to the aluminium frame
(you need 8 mounting screw set for each absorber panel)

Two-Way and Three-Way Ball Valves from PRAHER (Austria)

Price per unit
(not incl. VAT)

3024	Two-way ball valve, size d 50 mm, PVC, operation with electric motor 12V - 230V	THB 13,026.-
3026	Two-way ball valve, size d 63 mm, PVC, operation with electric motor 12V - 230V	THB 15,612.-
3004	Three-way ball valve, size d 50 mm, PVC, operation with electric motor 12V - 230V	THB 14,533.-
3005	Three-way ball valve, size d 63 mm, PVC, operation with electric motor 12V - 230V	THB 19,285.-

Accessories for OKU Pool Solar Heating Systems

Difference-Temperature Regulator - Solar Controller

Price per unit
(not incl. VAT)

600100 OKU Suncontrol THB 9,494.-
difference-temperature regulator with adjustable difference temperature, maximal temperature limit, illuminated display 20 x 40 mm with permanent display of the absorbers and/or swimming pool temperature. Indicates the operating states through pictograms in the display. Power supply 230 VAC / 1.5 VA, 5 Sensor contacts, 3 switching contacts 10 A. Safety class IP40. Including 1 silicon contact sensor PT 1000, 1 underwater sensor PT 1000 with 1.5 m cable incl. underwater bushing

700349 OKU Minicontrol THB 5,812.-
simple difference-temperature regulator with adjustable difference temperature, complete with sensors

700351 PAUSCH Digisol from Austria THB 11,988.-
difference-temperature regulator with large digital display and maximal temperature limit, complete with sensors

700348 External absorber sensor THB 1,663.-

700347 Underwater sensor THB 2,881.-
with underwater bushing 1/2"

700347-1 Underwater sensor THB 1,406.-
without underwater bushing 1/2"
